HOMEOWNERS ASSOCIATION NEWSLETTER

DECEMBER 2025

PRESIDENT'S COLUMN

Greetings neighbors,

There has been extensive construction work along Sherman Oak and Rothbury Lane with both utility providers and the City of San Antonio (COSA) coordinating sidewalk installation. The work, and the approval to do the work, was not known to the HOA Board. Councilwoman Spears was unaware of the work as well until residents and I reached out to her staff who were also unaware of the plans. I realize this has been good for some, and not good for others – we've heard both. The work will change the landscape of the neighborhood, and I hope the value is realized through safer commutes for our residents. Thank you for working with your COSA public coordinators and contractors, I realize it has been a difficult process.

December is here and the weather is beginning to turn, however, we still need rain. Pray for rain. I hope you all have an extraordinary Christmas and Hanukkah.

Toby Flinn

Many churches in the area are also taking donations for the community.
